Dear LINECO Participant:

Effective September 1, 2016, LINECO will partner *exclusively* with **Blue Cross of California** Preferred Provider Organization (PPO) for services rendered by physicians and hospitals in the State of California. **Blue Cross of California** has the broadest network of providers within the State.

Simply show your current LINECO medical card and verify that your provider is a participating Blue Cross of California PPO contracted provider the next time you receive services. In a majority of instances, your existing provider is already participating with Blue Cross of California.

You may also verify provider status by logging onto www.bcbsil.com, or calling 1-800-810- BLUE (2583), to ensure you are visiting a Blue Cross of California provider.

Thank You
